

CHINA FAST TRACK™

SINGAPORE CHANGI AIRPORT USER GUIDE

China Fast Track™ allows you and your accompanying guests to enjoy superior VIP service for check-in, immigration, and security check at Singapore Changi International Airport.

Arrival

- As you disembark, you will be greeted by a CIP service ambassador bearing a placard with your name. (Random Security Check will be occurred once you disembark occasionally)
- You will be given a ride on an electric buggy to the Commercial Important Person (CIP) Terminal.
- You will be asked to sign a simple customs declaration form.
- After clearing the in-house immigration, you can relax in the arrival lounge, with shower facilities, food and beverages, a mini gym, and nap rooms available.
- CIP service ambassador will retrieve the luggage and bring it to the CIP lounge and lead you to your ground transportation/limousine.

Departure

- Take ground transportation to the Commercial Important Person (CIP) Terminal.*

**Taxis are not allowed in the CIP parking area, and limousines must be registered in advance. If your car is not registered, the security officers at the entrance may require proof of identity before allowing entry to the CIP Terminal.*

- Please proceed to the front door of the CIP Terminal, where the CIP service ambassador will greet you.
- You will be taken to the lounge area where you can relax. CIP service ambassador will ask for your ticket and passport, and perform check-in on your behalf.
- When it is time for boarding, you will be taken to clear the in-house immigration facility.
- Subsequently, you will be taken to the departure gate via electric buggy inside the terminal.
